Overview

Project: Orphan Village

Project ID: P0009

Organisation: Orphans in Need, Sheffield

Aim: There are over 65 million orphans in Asia alone. Nearly 20% of Delhi's population are slum dwellers. Orphans In Need are working to establish an orphan village, to create shelter for orphans.

Hundreds of orphans who have lost their parents will be accommodated. Each child will be clothed, educated to the highest local standards and receive a minimum of three meals a day. All special needs will be accommodated, including disabilities. Medical treatment and counselling will be available, if required. Fully trained staff and volunteers will care for these children in a family-orientated environment. Homeless widows will be employed as live-in mothers.

The Orphans Village will feature an integrated school and Mosque. The school will provide primary/secondary education and skills training. The Mosque will accommodate up to 1,000 Musallis.

Orphans in Need is not here to provide a short-term solution. They only focus on a few projects in a few countries to ensure that they deliver the best solutions so that the children are well equipped to lead fulfilling lives right through to adulthood. In line with local culture and education standards, they are taught basic skills such as cooking, arts, crafts, raising crops and keeping livestock. By ensuring that the orphanages are established at places with easy access to colleges and universities, we hope that many will go on to train to become doctors, lawyers, teachers or civil servants.

We have set ourselves a target of £350, you can check more information on the [Orphans in Need website](#).

Sadqa E Jariyah

The rewards associated with donating money towards the building of a masjid are endless, but in addition to that you have the opportunity to serve orphans. Allah SWT and our Prophet peace be upon him both loved orphans, and mentioned in the Quran as well as ahadith to be kind, and loving to them. A few of the things you will be rewarded for are;

- every person praying Salah in the masjid [at least 5 times a day],
- children learning Quran,

- teachers teaching Quran,
- Jumu'ah, Taraweeh, Khutbah, beyaans, nafl prayers,
- anyone who gets inspired from something taught in the masjid and takes it elsewhere.
- children who will be sheltered in the orphanage,
- every time a child makes dua and is grateful for the shelter and all the services,
