Overview

Project: Masjid – Mymensingh, Bangladesh

Project ID: P0006

Organisation: Masjid – Mymensingh, Bangladesh

Aim: A group of students have decided to build a masjid in Bangladesh with maktab and water facilities. The masjid will be located in a remote village in Bangladesh in Mymensingh that has no masjid or maktab facilities within 2-3 miles radius.

The total cost of the project is £20,000. This includes the construction of an 1828 sq ft masjid that will cater for 230 Musallis. The masjid will have an ablution area for 20 people, two toilets, a water pump and a water tank. The project also includes the running of a maktab.

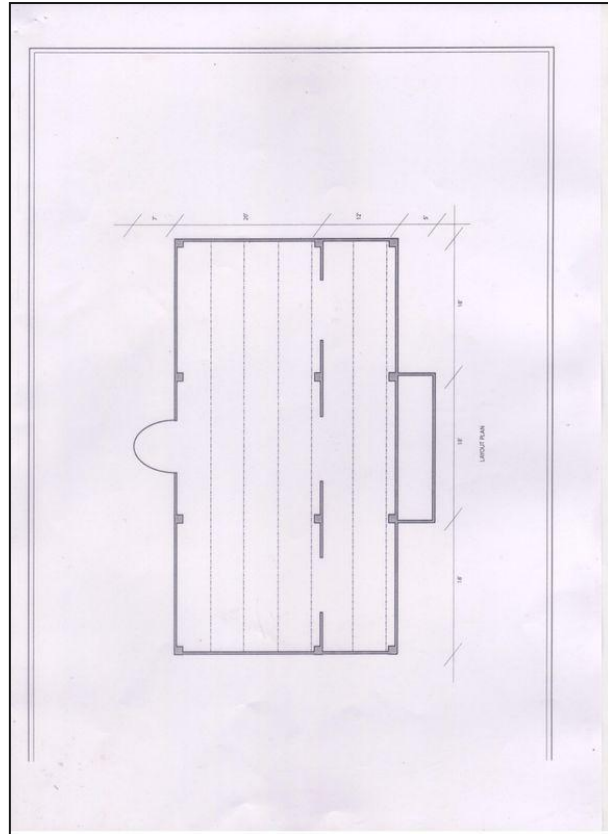

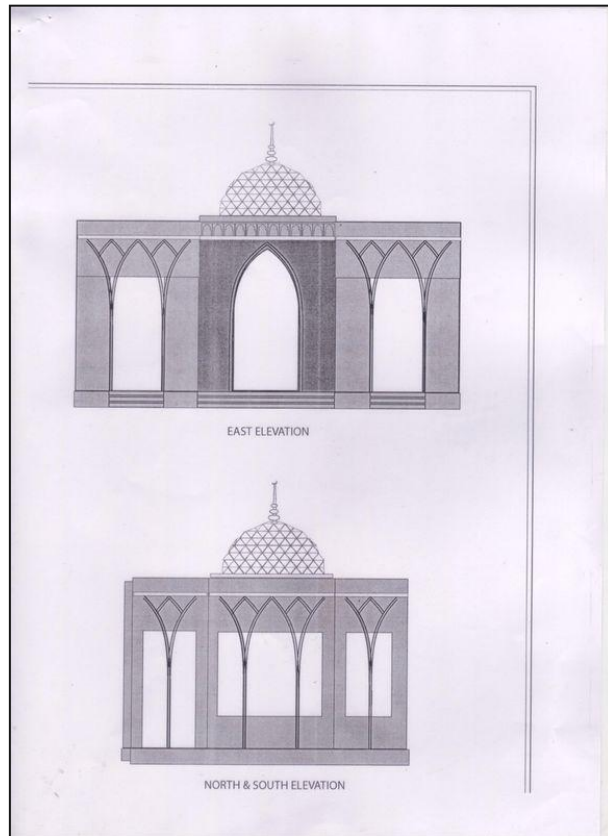

We are looking to raise £500 [was reduced to £200 on 12th Oct 2014] to contribute to this cause.

Sadqa E Jariyah

The potential for continuous reward in this project is immense, because it involves the building of a masjid along with water provisions for the local community. But to mention a few, you will get reward for;

- every person praying Salah in the masjid [at least 5 times a day].,
- children learning Quran,
- teachers teaching Quran,
- Jumu'ah, Taraweeh, Khutbah, beyaans, nafl prayers,
- Everytime someone drinks from the well,
- Everytime an animal or bird drinks from the well,
- Everytime someone uses that water to perform wudhu and ghusl,
- [\(Click to listen to an audio extract in Urdu of reward associated with donating towards water provisions.\)](#)

News & Updates

- 16th September 2014 Target amount reduced from £1,000 to £500 so we can get the funds to the organisers quicker.
- 12th October 2014 Having spoken to the organisers of this project, we found that their efforts to raise money had a great response and for this reason they no longer needed us to donate £500, therefore we limited our collection to £200.
