Overview

Project: Water Well – Philippines

Project ID: P0008

Organisation: Ummah Welfare Trust, Bolton

Aim: Ummah Welfare Trust constructs wells in several countries and are in the process of obtaining a deep boring rig in south Asia.

When UWT installs wells they also train their users to maintain them, and educate them on how to keep the water supply clean and free of pollutants.

Providing water in this way is a very good way of offering a Sadaqah Jariyah (continuous charity) as the donor can expect to reap Allah's blessings for as long as the well supplies water.

We will be donating the money to the charity who are involved in building wells in Philippines. Each well costs £450 as stated [Ummah Welfare Trust's website](#).

Sadqa E Jariyah

Paying towards any project related to water provisions always has a really high return in reward. But to mention a few, you will get reward for;

- Everytime someone drinks from the well,
- Everytime an animal or bird drinks from the well,
- Everytime someone uses that water to perform wudhu and ghusl,
- [\(Click to listen to an audio extract in Urdu of reward associated with donating towards water provisions.\)](#)
